Who We Are ?

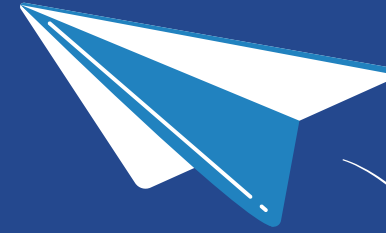

Who We Are

Since 2012, **QUALITY COMPLIANCE** was established with a view to become essential partner for industrial, service, and medical sectors such as pharmaceutical industries, medical examination laboratories, bioequivalence centers, veterinary industries, food industries, cosmetics, medical devices, and others.

QUALITY COMPLIANCE, upgrades, and continually improves its performance that will be transferred to **QUALITY COMPLIANCE** customers for their benefit and improvement.

We are proud of continuously providing services to our partners to their entire satisfaction. Since our start-up, we have completed projects timely for cGMP Turn Key Projects, Storage systems / Transportation system Qualifications and host Training sessions on GMP/GDP requirements. With a group of consultants located globally from varied expertise and backgrounds we have the capabilities to fulfill your needs with the best possible solution from conceptual design to the compliant operation.

Our Message

**We take much
pride to
introduce to you
one
of the Pioneers
in the Field of
MEP.**

Our company is pleased to inform you that we are very much interested to be a part of your project in the business of construction area of Electro Mechanical field with its high experienced in the projects for various Ministries like (ARAMCO, SABIC, Royal Commission, MOH, MOE & MOD) and Other multi private sectors with more than two decades and still continues.

Quality Compliance takes pride in the fact that we maintain a professional work team made up of Competent Professionals who are always willing to give the best services that they can provide Consistency, Quality and Reliability Characterize our Professionals.

Our experience in this field is almost Twenty years, Our employing with different skills and nationality that are presently deployed Kingdom wide in our projects that we have mentioned. Our company is looking forward to work with you to verify the environmental safe of our operations. We believe that our team will do the best support and services in order to meet your Requirements and Expectations.

thank you in advance and our best regards.
Sincerely Yours,

Our Vision

Our aspiration is to become a sustainably growing and profitable Electro Mechanical service provider through building effective and efficient operations in KSA and to consolidate QGC as a recognized quality centric brand in all our fields of activities. And We aim to be among the premiere MEP Contractors in the Kingdom of Saudi Arabia by the **year 2030**.

Our Mission

To Provide our Skilled Electro Mechanical services at the highest international standards to our customers utilizing our unique depth and width of expertise to deliver an exceptional service on time and at the highest quality positively impact lifestyles of the community we serve through Consistent, Timely, Quality, Efficient and Value added delivery of engineering, Innovative and tailor-made technology solutions that constantly exceed expectations.

Saudi Aramco E-Reference No. 0013450

Registration Approval Letter

June 26, 2025

Attention : QUALITY COMPLIANCE CO. LTD

CR Number : 1010358598
Supplier Type: Materials Vendor + Service Provider
Country : Saudi Arabia

We are pleased to inform you that QUALITY COMPLIANCE CO. LTD is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10115960, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

We are interesting and
looking forward to work with
you

Quality Compliance your
trusted business partner
